STAY-cation!

So, I don't know about y'all but I'm ready for our staycation to get here! Last year we decided instead of trying to arrange for a retreat we would hang for an entire day at Wild Beads (thanks Lori!) and it was so much fun we are doing it again this Saturday, July 15, from 9 a.m.-9 p.m. Bring those projects you need to finish up or start a new one! Come for all or part of the day! Hang with your bead society buddies! I've changed my mind a dozen times about what I want to spend the time working on...I think I'll probably have to load most of my stash in the back end of my VW so I can run out there periodically and grab what I need (as if having the entire stock at Wild Beads isn't enough to keep one busy!!)

WWBS Monthly Meeting Schedule and Workshops

And then if the staycation is not enough fun, our regular monthly meeting on July 18 will feature a another half tila bracelet taught by Chris Overberg. This bracelet is done in peyote stitch.
